

AI-Based Scheduling (System)	
As a system, I need to analyze availability and suggest the most optimal appointment times to clients.	
Priority: High	Cost: 5 days

Generate Service Quote (Salon Staff)	
As a salon staff member, I want to view and modify generated service quotes so that I can provide accurate pricing to clients.	
Priority: Medium	Cost: 4 days

AI Hairstyle Recommendation (Client)	
As a client, I want AI to suggest new hairstyles and colors based on my past visits and hair type so that I can make an informed choice.	
Priority: High	Cost: 7 days
